

Reflection Questions:

1. As you look out at the world, what word/phrase/sentence would you use to describe the world? Why did you choose the words you did?
2. Read Isaiah 2:2. Remember, the 'mountain of the Lord' literally was not the tallest mountain of the time...so why does the prophet describe it this way?
3. The prophet Isaiah, throughout his book, consistently moves toward hope. How do you keep hope in front of you?

Practice for the Week:

Pay attention to the presence of hope this week. How can Jesus and his Kingdom renew how you see the world around you?
