

Reflection Questions:

1. Make a list, or verbally share in your HC, which voices you're following (theological, authors, labels, etc). How are these group divisions helpful? How are these group divisions hindering?
2. Read 1 Corinthians 1:10-18. One group claims 'they follow Christ.' What is the danger in making such a comment? Is that a comment we still make today? If so, how do we use it? How is this divisive to the Church?
3. Read Matthew 4:12-23. Jesus asks for followers. How is this different from what is happening in the Corinthian church?
4. Read Psalm 27:1-9. Has our identification with different groups actually kept us from knowing/seeking God?

Practice for the Week:

Pray Psalm 27:1-9 each day and night, paying attention to vs. 4.

Readings for next week:

Micah 6:1-8; Psalm 15: 1 Corinthians 1:18-31; Matthew 5:1-12
